Game model

All games will be played as 501 flying start and double exit.
Each game will be played with a referee from the group (the non-player).

Individual tournament

The tournament will be held according to the ABC Pool/ CUP system to even out differences in strength between the participating players .

- a) The player who has won the most games is the winner.
- b) The players are ranked in each pool according to points so that the player with the most **points** no. 1 and the next best is no. 2 etc.

Note: If two players are tied, the games they have played together decide the result.
If the players are still tied, the player with the biggest difference between won and lost legs is the winner.

If the players are still tied then a decider has to be played.

The players have to play as 501 flying start with double exit using an equal amount of darts.

Playing time

Pool-games will be played to the best of 3 legs while finals will be played to the best of 5 legs.
