Game model

The tournament lasts 2 days. All participants will play 6 rounds in accordance with WMF. The Tournament Director will divide players into groups of three. Groups division will be published on the event's official website, in "Minigolf" section, and it will be notified at the arrival of participants.

The player with the lowest number of overall strokes of all rounds will be the winner. In case of equality of score, there will be a tie-break.

Team tournament:

Each team is made up of 3 players from one company. The team's score will depend on the sum of the strokes of the players in the individual tournament. The team with the lowest number of overall strokes will be the winner. In case of a tie, the team of the player with the lowest number of strokes will be the winner. Teams can be mixed as well.

System of play:

- Each player will be provided with clubs and balls to be returned at the end of the match. Players have the possibility to use their own clubs.
- Each group will be provided with score-cards which must include the players' names and the number of strokes taken by each player to hit the ball into the hole.
- Players play one by one.
- Each player has a maximum of six strokes for every lane.
- After six strokes, players stop playing and write down "7" in the proper space on the score-cards. Then, they restart playing in the following lane (6 strokes+1 penalty for the missing lane).
- If a ball leaves the playing area, it is placed up to 10 cm from the point where it left the playing area. 1 penalty stroke is added. (e.g. if a ball leaves the playing area when the second stroke is taken, it is placed at the point where it left the playing area and the third stroke becomes the fourth stroke because of the 1 penalty stroke added).
- If a ball is shot into water, 2 penalty points are added
- For each hole, there is an ideal number of strokes which define the level of difficulty of the hole itself. Technically speaking, this is called PAR.
- The aim of this game is to end the lane with the lowest number of strokes.

All players must be at the playground at the scheduled time of the beginning of their matches. If they don't show up within any longer than 10 minutes, they will lose the match with no exceptions.

Referees:

Players themselves have to referee their matches.
